THE  
*Tithe*  
BARN

# *Romance & Rustic Elegance*

Combining historic charm with rustic elegance, The Tithe Barn is an 800 year old venue which will embrace you and your guests.

Full of period features and with manicured gardens, you won't find a better barn wedding venue for your special day.

## A Riverside Hideaway

The Kingfisher Suite is the most impressive room in the house and this is where you and your bridesmaids will get ready.

Think the penthouse.

Expect original mullion windows, a period fireplace, unique features aplenty and a view of the riverside terrace and your special guests arriving.

# *Time To Get Wed*

Choose from the local church or a ceremony in the stunning barn. Our dedicated wedding team pride themselves on delivering a magical experience that you will never forget. The barn can accommodate up to 90 guests for your ceremony and 120 for the evening reception.

# *Food, Glorious Food*

Our chef will work with you to devise the wedding breakfast you have always hoped for. Catering for all budgets and styles, we can offer relaxed street style food or a formal sit down affair.

Now that you are official, it's time to let your hair down and celebrate! Be it a live band or disco fun, we know how to throw a party.

Our team will guide you every step of the way, including the many choices of evening food on offer.

At the end of your big day, celebrate together with additional romance and relaxation, by slipping into a spectacular roll top bath with a bottle of Champagne.

The perfect ending to a perfect day...
